LISTENING TASK FORCE

On July 18, the Mosaic Conference Board moved to form a task force to lead a listening process and review of the Conference's relationships with Mennonite Church USA (MC USA). Nominations for the task force were gathered from across the Conference. The task force shared an overview of what they heard in their conversations with Mosaic congregations and CRMs and **provided guidance for the Board in designing a path forward.**

RECOMMENDATIONS

FOR THE CONFERENCE BOARD

- 1. Fast and pray.** Organize widespread continuous fasting and praying so that we can discern, yield to the Holy Spirit, record revelations, and increasingly rest in God together.
- 2. Discern.** Divided votes won't help us find a way together, as evidenced by what happened in Kansas City. Agree to make decisions in a different way, which may take longer. This document is a step forward toward this way of connective discernment.
- 3. Walk together.** Corporately lament and grieve knowing there will be losses for Mosaic, regardless of how Mosaic proceeds, yet affirm that how we move forward is as or more important than what our decisions are. Commit to walking with one another with honor and grace in our relationships with MCUSA and congregations that are staying, going, or discerning whether their vision aligns with Mosaic, etc. We shouldn't learn about losses from news items after a congregation has left. Use reconciling resources (like Peaceful Practices) to assist this process.
- 4. Clarify.** Create a FAQ handout for the Delegate Assembly to clarify specific facts about polity and resources like the Corinthian Plan, MennoMedia, nonbinding resolutions, pastors being forced to perform same-sex weddings or not, that congregations are members of Mosaic, while Mosaic is a member of MCUSA, etc. Clarify the implications of the resolutions.
- 5. Focus on what unites us.** Acknowledge that our views on sexuality are not what bind us together. Mosaic is united through our Jesus-centeredness, mission, and vision, and relationships. Our commonalities can guide us to make decisions in a different way than how MCUSA has made decisions.
- 6. Build relationships across differences.** Acknowledge with honor and grace the multiple storylines/narratives we've heard about Mosaic's relationships with MCUSA so that we all understand how complex our issues (and we) are as a family. Commit to finding ways to know each other better, practice interdependence with one another, learn from one another, share power, and lean into the discomfort and joy of becoming intercultural. Find ways to explore our theology together through our common Anabaptist/Jesus-centered hermeneutical lens. Assure wide engagement in our relational efforts, beyond Leadership Ministers.
- 7. Communicate with MCUSA.** Communicate our concerns to MCUSA clearly through a public letter (e.g., the damage caused by poor decision-making models and bad processes, the marginalization of immigrant groups and people of color in Kansas City, the alienation of persons who hold to our Confession of Faith, etc.), and ask for what we want/need from MCUSA (e.g., a step toward "marriage counseling" before we decide to "divorce"). This could involve negotiating more membership alternatives for congregations and CRMs with Mosaic, as well as for Mosaic with MCUSA, (e.g., staying provisionally, leaving provisionally, etc.)
- 8. Plan.** Begin a deeply relational strategic planning process to maximize what has been learned, lean into our commonalities, and as much as possible, relate across our differences as we find clarity. Involve our entire priesthood of believers and engage with our constituency. Grow connections throughout the Anabaptist world, including with seminaries, organizations, and agencies, etc. A decision about Mosaic's relationships with MCUSA could emerge out of this strategic planning process.
- 9. Rollout.** Deliver these recommendations in direct and personal ways prior to Nov. 5.

MOSAIC MENNONITE CONFERENCE

BOARD REPORT - 2022

2022 has been an active, and, at times, a challenging year, for the Mosaic Board! I'm very grateful for the insights, wisdom, and commitment of our Board members. We've heard numerous testimonies of God's work among us, and we've engaged around several difficult matters this year. These volunteers have invested considerable prayer, time, and energy, as well as demonstrated a willingness to have hard conversations together. Please thank them. We meet as a full Board every other month, while the Executive Committee meets monthly.

On behalf of the entire Board, I want to express deep appreciation for Steve Kriss (Executive Minister), Marta Castillo (Associate Executive Minister), as well as the entire conference staff, who prayerfully and diligently carry out the vision and mission of the conference. We are blessed with a gifted and dedicated team of staff, who have also had to navigate some storms that we're encountering as a conference community.

Several of the highlights, as well as challenging circumstances, that the Board and Executive Committee have engaged with thus far in 2022 include:

- Affirm and approve proposal from Assembly Planning Team to reshape the structure of conference assembly, moving from the plan to have regional gatherings to a single in-person gathering for all participants. Discuss and affirm theme for upcoming Fall Assembly: "Chesed: God's Constant, Steadfast, Faithful Love," based on Psalms 116-117.
- Approve proposed 2022-23 conference budget, and accept/approve 2021-22 audit report.
- Hear reports from conference staff, and other leaders, on numerous conference initiatives centered around our three priorities of being missional, formational, and intercultural.
- Spend considerable time engaging the resolutions at the Mennonite Church USA special assembly in Kansas City. To prepare conference and congregational delegates for the assembly, the Board and staff planned, and helped give leadership to, three faith and life gatherings for credentialed leaders, two equipping sessions with Jon Carlson from MC USA, and a couple of seminars regarding healthy communication and conflict. Post- Kansas City, the Board and staff planned, and helped give leadership to, four listening sessions for Mosaic Conference delegates to hear from and have conversation with delegates who were present in KC. The Board and executive staff have received numerous letters from pastors and congregations with questions, concerns, and recommendations for next steps following the passage of the church-wide resolutions. These letters have represented the range of perspectives across our conference community. The Board recently appointed a task group, consisting of ten persons, to lead a listening process and a review of our relationship with MC USA. The conference is also currently engaged in a conference-wide listening prayer initiative, with leadership from our Mosaic prayer team.
- Approve numerous missional operations and church plant grants (Executive Committee) to fund a wide range of ministries that expand God's kingdom work. Approved guidelines for New Community Initiative Fund (church planting).

- Accept the decision of the Ministerial Committee not to charge a credentialed leader with ministerial misconduct, while calling on the Ministerial Committee to review conference policy regarding the holding of ministerial credentials for Conference Related Ministries (CRM) leaders.
- Affirm Roy Williams as the next assistant moderator, beginning January 1, 2023.
- Approve use of remaining Shalom Fund monies for Mennonite World Conference translation services.
- Authorize sale of Emily Street property in Philadelphia from Franconia Mennonite Board of Missions and Charities to Centro de Alabanza.
- Hear updates regarding additional congregations and CRMs inquiring about joining our conference.

Respectfully Submitted,
Ken Burkholder
Moderator
August 2022

MOSAIC BOARD UPDATES:

KRIS WINT, Lead Pastor of Finland congregation (Pennsburg, PA), has served as a member-at-large on the Mosaic Board since 2016. Wint resigned from the Board, effective September 30, 2022, as a result of Finland's vote to leave the Conference. Mosaic's Nominating Committee is working to fill Wint's position on the Board and will not have a nomination prepared in time for the November 5 Assembly.

FOR AFFIRMATION VOTE BY THE ASSEMBLY DELEGATES:

ANGELA MOYER WALTER CONFERENCE MODERATOR

The Moderator serves for three years in this role, beginning January 1.

Angela Moyer Walter grew up in the former Rockhill congregation (Telford, PA) where she eventually was called into her first pastoral role to work with youth. She is a bi-vocational pastor now at Ripple congregation in Allentown, PA, where she serves with a diverse team. She previously served as part of the Franconia Conference Board. Angela works with children in her role as an occupational therapist and speaks Spanish. She has deep roots in and broad connections across the Mosaic Conference community. She is married to Ben, and they live together in center city Allentown.

ROY WILLIAMS CONFERENCE MODERATOR-ELECT

The moderator-elect serves as Assistant Moderator for three years, ascending to the Moderator role for a successive three years.

Roy Williams is set to retire from his nearly 30-year role as pastor at College Hill Mennonite Church in Tampa (FL). Roy has served broadly in roles across the Mennonite church and is currently finishing up a term on the board of Mennonite Education Agency. He has been part of the Mosaic Conference Board as Chair of the Conference's Intercultural Committee. Roy has a background in banking and extensive experience in urban ministry. Born in Jamaica, Roy is married to Ruth and has two adult children and three grandchildren. They live outside of Tampa, FL.

Building upon the excellent work and recommendations of the Listening Task Force, we developed the following document, “A Pathway Toward Shaping Our Future Together for Mosaic Mennonite Conference Delegates.” This document has received Mosaic staff input and has been affirmed by the Board.

We invite your prayerful reflection on these recommendations in the coming weeks leading up to Assembly, where there will be opportunity for further discernment, discussion, and affirmation. May the Holy Spirit continue to guide us, together, toward God’s desired future for our conference.

- Ken Burkholder, Moderator

A PATHWAY TOWARD SHAPING OUR FUTURE TOGETHER FOR MOSAIC MENNONITE CONFERENCE DELEGATES:

Now, all glory be to God, who is able through his mighty power at work within us, to accomplish infinitely more than what we might ask and think. Glory to him in the church and in Christ Jesus through all generations forever and ever! Amen ... Make every effort to keep yourselves united in the Spirit, binding yourselves together with peace. (Ephesians 3:20-21, 4:3 NLT)

Together, as delegates of Mosaic Mennonite Conference, we recognize the holy possibility present in living into our vision; we have committed to embodying the reconciling love of Jesus in our broken and beautiful world as a community celebrating and extending God’s grace, justice, and peace.

We recognize that, by the power of the Holy Spirit, we shape our relationships and work around missional, intercultural, and formational priorities with Jesus at the center of our faith.

We believe that we are called by God in this time:

- **To share in the practice of continued prayer and fasting so that we may discern, yield, and listen to the Spirit among us.**
- **To walk together, recognizing discernment is a commitment to the community that we proclaim as the center of our life and the reconciliation that we proclaim is the center of our work.** We will remain in respectful conversation and friendship as we discern God’s future for us together in the midst of brokenness and beauty.
- **To embark on a two-year strategic planning process together, in order to set a pathway within our priorities, to clarify our relationships with each other, other Anabaptist communities, and Mennonite Church USA. Specifically:**
 1. *Formational:* Theological education and conversation to form us into people who listen to God and to each other.
 2. *Missional:* Ongoing and highly relational processes to shape a shared mission and direction for our Conference.
 3. *Intercultural:* Discernment and decision-making practices of interdependence and mutual transformation to honor the diversity of language, experience, and culture among us.
- **To adjust our Mosaic Conference bylaws so that we extend grace and peace to each other by allowing member communities to suspend their membership in Mennonite Church USA while remaining members of Mosaic Mennonite Conference.** The Board authorizes congregations to determine membership status in Mennonite Church USA.

And in all of these things, we commit to seeking first the kingdom of God, believing that everything else we need will be provided in God’s timing and from God’s resources.

MOSAIC MENNONITE CONFERENCE

FINANCIAL REPORTS - 2022

EXECUTIVE SUMMARY FOR 2021-22

Revenue: Mosaic Mennonite Conference's operating revenue comes from two main sources, conference congregations and rental income from the conference-owned properties (the Souderton Center & the Indian Creek Road farm), in the form of a subsidy to the conference budget.

- Congregational Giving - \$433,329
- Subsidy from Properties - \$470,004
- All Other Revenue Sources - \$440,575

Please note that estate gifts (included in Other Revenue) received by the conference do not go into the operating budget, but rather go into Ministry Resource investment funds, which are used mostly for Missional Operations Grants. \$99,491 in estate gifts were received last year. Other Revenue also includes restricted contributions like those for New Missional Initiatives, as noted below.

Expenses: Expenses are divided into two basic categories, Program or Ministry expenses and Support Services expenses. The industry standard for non-profits is 75% and 25%, respectively, and this past year, Mosaic was above the standard, at 84% and 16%, respectively.

- Missional Operations Grants (MOGs) - \$57,640. Last year, 14 MOGs were disbursed to ministries and congregations of Mosaic Conference:
 - » Covenant Community Fellowship and Franconia Mennonite received grants for their partnerships with Hope 21 ministry.
 - » Salem Mennonite received a grant for their partnership with the Quakertown Community Center.
 - » Lakeview Mennonite received a grant for a ministry partnership with Whitehall Mennonite.
 - » Centro de Alabanza received a grant to purchase property.
 - » Nations Worship Center received a grant for its Children's Summer Bible program.
 - » Methacton Mennonite received a grant for a partnership with Laura Alderfer's ministry.
 - » West Swamp Mennonite, Philadelphia Praise Center, and Zion Mennonite received grants for their partnership with Crossroads Community Center.
 - » Grants were also given to congregations who partnered with Jemaat Kristen Anugerah to assist Indonesian churches during their pandemic last year.
- Church Plant grants were given to Iglesia Seguidores de Cristo, Centro de Alabanza and the CIEAMM church conference in Mexico.
- 13 Leadership Training Scholarships were distributed to leaders in conference congregations.
- New Missional Initiatives - \$85,676. These activities have received their own restricted funding, e.g., Shalom Mutual Aid Fund, Mosaic Institute.
- Staff Travel - \$55,613 (found in most expense departments). 61.6% of this expense went to Leadership Ministers traveling in their Leadership Ministry roles.
- Staff time & benefits (including contracted workers, but not properties management) - \$688,988, which are allocated over most of the expense departments based on staff activities. This made up 70.4% of the total of Mosaic's operating expenses last year, which does not include funding for designated new missional initiatives.

CONFERENCE BOARD / FINANCE COMMITTEE REPORT - 2022

Purpose: The CBFC is responsible for providing responsible leadership on fiscal matters pertaining to the conference and its property and assets. The committee also develops a budget based on the vision of the Conference Assembly, for Conference Board approval.

2021-22 UPDATES/ACTIVITIES:

The Conference Board Finance Committee (CBFC) spent considerable time over the past twelve months discussing issues such as:

1. examining the various investment funds held with the Mennonite Foundation (ministry and missional operations grant funds) and investments held with SEI Investments (FMC Properties Capital Reserve Fund);
2. ensuring the financial activities are in keeping with the vision and mission of the conference and that the activities of the conference are within the budget established for the conference;
3. discussing the financial effects on various property-related issues; and
4. determining cash flow needs (amounts and timing) for both the conference and the properties, including future capital expenditure needs of the Souderton Center and Indian Creek Road farm and how to budget for this.

CBFC members routinely reviewed Mosaic's financial reports, and provided reports to the Conference Board regularly, ensuring the conference stays within the set budget and that adequate cash flow is maintained.

CBFC members spent a couple of meetings developing a budget for the current year in line with the vision and mission of the conference. They also looked at various trends of recent years for clues to the future.

The CBFC members are committed to ensuring that the conference staff are being good stewards of the assets and resources that have been entrusted to Mosaic by the conference congregations and constituents and that the resources are being used appropriately and in alignment with the vision and mission of the conference. Mosaic received a clean audit report again this past year, verifying that the funds and reports are in alignment with good accounting practices. For the complete audit report for the fiscal year 2021-2022, visit www.mosaicmennonites.org and look under "RESOURCES," and then click on "Stewardship." Click on "Congregational Treasurers Information," and then click on the "Financial Audit Report" link.

MINISTERIAL RETIREMENT FUND SUB-COMMITTEE:

This committee, which is under the CBFC, met once to review the financial needs of those pastors and spouses who are eligible for assistance under the Ministerial Retirement Fund guidelines. This fund provided assistance to one person. \$8,125 was distributed in retirement assistance this past year. The committee members are: Marvin Anders (Salford) and John Goshow (Blooming Glen).

FRANCONIA MENNONITE BOARD OF MISSIONS AND CHARITIES

AKA FMC PROPERTIES

Purpose: FMC Properties acts as a holding corporation for properties owned by Mosaic Mennonite Conference, and the properties board manages all of the property matters on behalf of the Conference Board through the CBFC.

INTERCULTURAL COMMITTEE REPORT - 2022

Mosaic Mennonite Conference is committed to being a church that goes beyond surface-level diversity toward true racial justice for all people. While our world's economic and governmental systems present differences among us as threats to be eradicated, we aim to develop multicultural communities of faith that show our broken world a new way of living.

2021-22 UPDATES/ACTIVITIES:

- A wide variety of pastors and leaders from across the conference joined in meaningful and transformational conversation and a book study: *Intercultural Church* by Safwat Marzouk.
- We have increased participation of BIPOC (Black, Indigenous, & People of Color) leaders in Mosaic, with additional representation on boards and committees.
- Predominantly white congregations continue to meet to educate themselves and work towards intercultural competency and racial justice.
- Nations and Generations Gathering for BIPOC groups is being planned for November 2022; there will be support and prayer groups in Spanish and Indonesian for pastors in the Conference.

We want to encourage the Conference to live into each other's culture, beyond being guests in each other's "houses," casual acquaintances, or even friends, to being family with our lives intertwined and each of us welcome into every room in our "houses."

Roy Williams

Intercultural Committee Chair

- We identified Board and committee members' terms that were ending at the end of 2022 and discussed if they wanted to continue for an additional term.
- We spoke with committee chair persons about gifts and skill sets needed on their committees so that each has a balanced and well-functioning committee.
- We continue to encourage all Mosaic members to submit nominations through the Mosaic website for individuals who have skills and gifts to share on a Mosaic committee.
- We are working to identify members in our FL and CA congregations who are willing to serve on Mosaic committees.

This committee offers the opportunity to connect with a wide variety of persons in our Conference community. We are grateful for the many volunteer hours that are offered by members who share their gifts on behalf of the vision and mission of Mosaic Mennonite Conference.

A hope is that we can all take time to pray for those volunteering on our Mosaic Committees, that they may have wisdom and joy in their offerings.

The Conference Related Ministries Committee offers accompaniment to Conference Related Ministries (CRMs) by providing Conference presence through resourcing, visibility, and relationships, as organizations continue their missions in their communities.

The 26 Conference Related Ministries provide services to people beyond Conference congregations, are located in several states, and also work globally. CRMs are varied in mission, in services, and in structure, but are united and grounded in Anabaptist theology and practice.

The Mosaic Conference Board, in recognition of the continuing importance of these ministries in the life and work of Mosaic Conference, has charged the Conference Related Ministries Committee with the work of providing Conference presence to the 26 Mosaic CRMs.

The Committee meets quarterly with members Lindy Backues of Philadelphia (PA) Praise Center, Brandon Bergey of Bethany (VT) Mennonite Church, Missy Camilleri of Deep Run East (PA) Mennonite Church, Juanita Nyce of Salford (PA) Mennonite Church, Chairperson Dr. Herman Sagastume of Perkiomenville (PA) Mennonite Church, and Margaret Zook of Salford (PA) Mennonite Church, Mosaic staff.

- Provide Conference guidance and structure as new organizations request CRM Mosaic relationship.
- Give voice to the Anabaptist foundational values that unite CRMs.
- Provide Conference presence through organizational crises, new affiliations, and leadership transitions.
- Provide relationship opportunities and plan resourcing events.

“Help us to be effective instruments of Your peace as we live out our call. Let us appreciate each and every one of Your creations. Help us to love our neighbor and to trust in Your transforming power. Amen.”

GATHERING | The Mosaic Conference assembled online at 1pm ET/ 10am PT. Approximately 174 participants logged on.

OPENING | The meeting began with a reading from Romans 12:2-10, in Spanish, Indonesian, and English. Glen Guyton, MCUSA Executive Director, brought greetings and offered a prayer.

DEVOTIONS | Moderator Ken Burkholder (Deep Run East) welcomed the assembly, explaining the situation that led us to meet in this online fashion. After several announcements, he reflected on the theme text, Romans 12:2-10, with the call to Mutual Transformation, made possible by Christ at the center of all things.

ACTION ITEM | Ken Burkholder, Moderator, asked for affirmation of the 2020 Minutes. By a vote of 98%, the minutes were approved.

LIVING INTO HOPES & DREAMS | Ken Burkholder announced the special meeting of MCUSA delegates in May 2022 and spoke briefly to two resolutions which might be consequential to the life of the Mosaic Conference.

Burkholder then led a discussion of how the Conference is living into its vision and mission. Three brief videos were shared: 1) Pastor Virgo Handojo of JKIA (Sierra Madre, CA) shared how Mosaic Conference led a campaign to provide COVID vaccinations and basic necessities to over 8,000 people per day in Indonesia. 2) Youth from Luz y Vida (Orlando, FL) shared their formational experiences in a civil rights learning tour this past summer. 3) Blooming Glen (PA) Mennonite Church reflected on their experience of learning to be more intercultural, getting out of their comfort zones through study, in relationship to Oxford Circle Mennonite Church (Philadelphia, PA), and by acting to welcome refugees.

The assembly broke up into small online groups to discuss three questions:

1. In what ways have you noticed God's presence in the loss and hardships of the past year?
2. How is your congregation/CRM living into the mission and vision of Mosaic Conference?
3. What hopes and dreams does your congregation/CRM have for our Conference community?

Various small groups shared their responses. Burkholder thanked the respondents for their sharing and asked that each group fill out their feedback reporting forms. He also offered a round of thanks for those who offered logistics and support to the meeting.

Delegates were reminded to attend a worship watch party later in the day and received a benediction from 2 Corinthians 13:14.
