

DOCK

MENNONITE ACADEMY

Dock Mennonite Academy inspires and equips each student to serve with a global perspective by integrating faith, academic excellence, and life-enriching opportunities in a Christ-centered environment.

"One of the things that sets Dock apart is that we aren't simply striving to build community because it's nicer to live in harmony than discord. We're building community for a purpose: to support each other as we take the love of Christ into the world around us."

DOCK PARENT SHARON MUHLFELD

Sharon (below center), husband John and daughters Jasmine (5th grade, and Amy (9th grade).

THE MISSION CONTINUES

Resilience. Flexibility. Courage. Grit. Perseverance. These are themes we heard throughout our senior speeches last year, as our students navigated several of the most challenging years any of us can remember. Yet students also reflected on the learning, growth and maturity they experienced, sometimes as a result of those difficulties. We celebrate the continued preparation of Dock students for college, for work, and for lives of service beyond Dock. This is our mission.

FLUXSPACE

AN 'EDUCATIONAL ECOSYSTEM' WHERE STUDENTS THRIVE

Dock students have been taking advantage of unique educational opportunities at Fluxspace, a space in nearby Norristown where creativity, learning and growth are encouraged through hands-on experimentation with coding, robotics, 3-D printing, augmented reality and virtual reality. From the open layout to the design of the furniture to the giant LED wall and 360° surround theater, every inch of Fluxspace is designed to inspire innovation.

"I liked that this was a hands-on class, and that we learned how to think outside the box and solve real-world problems," said 9th grader **Danny Emr**.

“Even with my wandering heart, Dock grounded me in my faith. This is why going to this school has been one of the largest blessings in my life. Being surrounded by a faith-filled community has been an anchor for me amidst the many storms this journey has brought.”

PASTORS' DAY CHURCH CONNECTIONS

Over 30 pastors visited our campus on October 19 for a powerful "All-School" chapel led by Franconia Mennonite Pastor **Kyle Rodgers** with worship and praise music by teachers and students, breakfast and

a "show," with students reciting bible memory, singing songs, playing music and more. We love Pastors' Day! Pictured above: **Helen Eastburn**, Director of Music and Worship at Franconia Mennonite Church, visits with 2nd grader **Clay Landis**.
