

Report to the 2021 Mosaic Mennonite Conference

Michelle Rassler, CEO, Frederick Living

Frederick Living is grateful to celebrate 125 years of service in 2021. We thank God for His faithfulness throughout our journey. As we continue to meet the challenges of current times, we focus on our mission, “In the spirit of Christian love, Frederick Living cares for and enriches the lives of older adults while valuing the staff, volunteers and community that serve them.” By living our values of Respect, Integrity, Compassion and Excellence, we come together as a community to invest in one another’s lives, making a difference...together.

We were blessed to be able to come together at Sunny Brook Ballroom on September 10, 2021 to celebrate our history and to anticipate our future.

We greatly appreciate our Board, residents, employees, families, donors and partners continued leadership and support.

In February of this year, we worked through the retirement of long term CEO, John Hendrickson. Having worked in several leadership roles at Frederick Living from 2006-2015, I am very familiar with the mission and heritage of the organization and am grateful to return and serve as the CEO.
