

Class of 2022-We Congratulate You!

On June 4, 2022, our 26 seniors graduated at an outdoor ceremony held at Enon Tabernacle Baptist Church. We celebrate their resilience over the past 4 years as they navigated relentless changes amid the pandemic. They are the first graduates to enter 9th grade at our Poplar campus. We praise God for their accomplishments and bright futures. We also look forward to how they will let their lights shine in the many places they will go from here. In 2021-22 school year, we also welcomed our new Poplar principal, Mr. John Walker, who brings a wealth of knowledge and experience to TCS. He and his family hail from Rhode Island and are now proud Philadelphians!

He has led our upper school campus through a year of returning to classes fully in-person since the start of the pandemic. Leading during this time has its challenges but God calls us to trust in Him and work together to His glory. Our theme verse, Ephesians 4:1-6, reminds us of this:

Ephesians 4:1-6

As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. 2 Be completely humble and gentle; be patient, bearing with one another in love. 3 Make every effort to keep the unity of the Spirit through the bond of peace. 4 There is one body and one Spirit, just as you were called to one hope when you were called; 5 one Lord, one faith, one baptism; 6 one God and Father of all, who is over all and through all and in all.

Campus Highlight: First Annual Spelling Bee

We hosted our 1st ACSI-Sponsored Spelling Bee for our upper elementary students. They were well-poised for the competition, which tested their language development, communication, self-confidence as well as their public speaking skills. The 3rd-5th graders at Spruce Hill campus were excellent spellers. We can't wait to do it again next year.

Pursuing Shalom & Excellence

Our vision is to see more and more children flourish in the city, in Jesus' name. This year we experienced an all-time high in enrollment with 430 students across all campuses. It has been a year of many triumphs and we have endured and adapted together. Providing each student with Chromebooks for equitable access to technology in the classroom and at home enhances learning. Throughout the pandemic, we are learning to innovate and adjust as needed to provide our students with all they need to thrive. We are grateful for the ways we are growing as a school called to glorify Jesus.

Historic Enrollment: 430

MLK Day of Service with MCC

For the 2nd year, TCS hosted the Mennonite Central Committee's Annual MLK Day of Service event at our Poplar campus. Volunteers and friends from both ministries packed personal items and toiletries for over 400 inmates at local penitentiaries. It was exciting to be together after one year of the event being virtual in 2020. We are grateful to partner and be a blessing to our sisters and brothers who are incarcerated.

Our Boy's Basketball team had a victorious season this year--ending as Champions in the PIAA and PJAA leagues. This was our first time winning in both leagues and we pray it is not our last. Great job to our student athletes, coaches and parents who supported our tremendous season.

Our mission is to train students' minds, disciple their hearts and bring light to the city--one child at a time.
