

MISSION STATEMENT

Equipping students to be leaders through an exceptional education within a culture of Christ-like love, peacemaking, and service

Since 1951 Quakertown Christian School has been educating students through a Christ-like perspective. With students in Bridge Kindergarten through 12th grade, our students flourish in our small class sizes which allow for community building opportunities. Our family-like atmosphere allows students to feel at home, while being educated according to the academic standards of the Commonwealth of Pennsylvania within the framework of an Anabaptist-Mennonite worldview. Come see what makes QCS, QCS!
