

DOCK

MENNONITE ACADEMY

Dock Mennonite Academy inspires and equips each student to serve with a global perspective by integrating faith, academic excellence, and life-enriching opportunities in a Christ-centered environment.

FAITH FORMATION

Coming to Dock helped me take my faith more seriously. Through friendships, teachers, sports, and even challenges, I began to see that God was always with me, guiding me and shaping who I am. Softball taught me to trust Him through both victories and setbacks. My identity is no longer in achievements, but in Christ. My faith is now one of the most important parts of my life, and I'm excited to see where God leads me next.

CULTIVATING PEACEMAKERS

At Dock, peace isn't just a concept—it's a daily practice. **Students learn to resolve conflicts through dialogue and mutual understanding rather than through aggression or domination.** The curriculum explores both historical and modern examples of peacemaking, from conscientious objectors to present-day peace and justice movements.

Throughout my high school years, I have found my footing; Dock has helped me discover who I am, developing and refining me. It wasn't in the easy times that I grew the most, but in the hardest, when I had to lean on faith, family, and friends.

AN ETHOS OF SERVICE

Service at Dock reveals the value of an educational experience where faith and learning are inseparable. **At every grade level, students participate in service opportunities and regularly practice putting the needs of others before their own.** Service becomes a way of life for students and it becomes a part of the ethos of the Dock experience.

"Through the lens of service, Dock instilled in me the importance of helping others as a way of life."- **Stephanie Clements ('10)**, 2024 Young Alumni of the Year Award
