MCC and Mosaic Mennonite Conference connections

- MCC is grateful for the participation of seven young adults at Mosaic congregations in Pennsylvania and California through MCC's 10-week Summer Service Program.
- Mosaic congregations support the Material Resources Center (MRC) of Harleysville by volunteering and donating kits.
- Several Mosaic congregations attended MCC's January 2026 MLK Day of Service at Philadelphia Praise Center to pack over 400 prison care kits.
- At Care & Share Thrift Shoppes, members of Mosaic congregations volunteer alongside the community. With a recent move from Souderton to Harleysville, the shop is poised for deepened involvement and outreach within the broader Mosaic community. In 2025, Care & Share contributed \$57,279 to MCC. Thank you!

MCC's 2026 guiding scripture

Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves...

Philippians 2:3-4 (NIV)

Dear friends,

This year's scripture verses begin with an invitation to deep connection with Christ. Flowing from that connection is an invitation to humility, which shows up in how we value others.

MCC's work in the name of Christ is one way we live out that posture: honoring others, seeing their dignity and responding with compassion.

Thank you for the many ways your conference partners with MCC. Be encouraged to continue sharing God's love and compassion with all. Together, we are connecting with neighbors locally and globally—creating networks of care that reflect Christ's love for every person.

When people return from incarceration, stability is often a missing piece. MCC East Coast partners with Redemption Housing, a Philadelphia nonprofit that fills that gap with housing, community and the courage to imagine a different future. Redemption Housing walks alongside men as they rebuild their lives. Through this partnership, reconciliation creates a chain reaction of healing and restoration.
